

**EARNHART HILL REGIONAL WATER AND SEWER DISTRICT
BACKFLOW TESTER'S AGREEMENT**

This agreement, between Earnhart Hill Regional Water & Sewer District, herein called EHRWSD, and the Signer hereof, a certified backflow tester, herein called Backflow Tester.

Whereas, EHRWSD owns and operates a public water system, is obligated and required under the laws of the State of Ohio to conduct or cause to be conducted periodic surveys and testing of backflow prevention devices of customers of the public water system to determine whether there are actual or potential cross connections through which contaminants or pollutants could backflow into the public water system, and to ensure that the backflow prevention devices installed on customer premises are tested and found to be in satisfactory operating condition in accordance with OAC §3745-95-06.

EHRWSD will accept the test and survey reports submitted by backflow testers currently approved by, and listed on the EHRWSD Approved Backflow Tester list.

Backflow Tester attests that they have read, understand, and will comply with the Backflow Tester Rules and Regulations of the EHRWSD, and will comply with all future Rules and Regulations. Backflow Tester states that they currently possess a Backflow Tester Certificate issued by the State of Ohio Department of Commerce, will maintain a current certificate while actively engaging in surveys and testing on the EHRWSD Water System, and will furnish EHRWSD with a copy of the current and all future renewals of their Backflow Tester Certificate as required.

Backflow Tester further agrees that any violation of the EHRWSD Backflow Tester Rules and Regulations including, but not limited to submitting incomplete or untimely test results, or falsifying information on survey and test reports may result in the temporary or permanent suspension of all backflow testing privileges on the EHRWSD water system.

IN WITNESS WHEREOF, we have entered into this instrument this _____ day of _____, 20_____.
