2030 Stoneridge Dr.  
PO Box 151  
Circleville, Ohio 43113

**SEWER USER AGREEMENT**

This agreement, between the EARNHART HILL REGIONAL WATER & SEWER DISTRICT, hereinafter called the District, and \_\_\_\_\_, a user of the District hereinafter called the User;

**WITNESSETH**

WHEREAS, the User desired to purchase sanitary sewer service from the District, and to enter into a Sewer User's Agreement as required by the Bylaws of the District.

NOW THEREFORE, in consideration of the mutual covenants, promises, and agreements herein contained, it is hereby understood and agreed:

The District shall furnish, subject to the limitations set out in the Rules and Regulations and Bylaws and those hereinafter provided for, such quantity of sanitary sewer service as the user may desire in connection with his occupancy of the following described property:

Service Address: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

The User hereby agrees to grant to the District, its successors or assigns, a twenty foot easement in, over, under, and upon the above described land with the right to erect, construct, install, and lay, and thereafter use, operate and inspect, repair, maintain, replace and remove sanitary sewer pipelines and appurtenant facilities, together with the right of ingress and egress over adjacent land for the purpose mentioned above.

The User shall install and maintain, at their own expense, a sewer service line which shall begin at the lateral provided by the District and extend to the dwelling or place of use. The service line shall connect with the collection system of the District at the nearest place of desired use by the User, provided the District has determined in advance that the system is of sufficient capacity to permit discharge of wastewater at that point.

The User agrees to comply with rules and regulations of the District. The User agrees to pay for sewer service at such rates, time and place as shall be determined by the District and agrees to the penalties for non-compliance with the above as set out in the current Rules and Regulations. Facility charges to the User shall commence on the date the service is made available.

In addition to any connection fee established by the District, the User agrees to pay a service deposit in the amount of \$\_\_\_\_\_. The service deposit shall be held and applied by the District to the account of the User, should service to the User be terminated either voluntarily or involuntarily. Should the account be fully paid at the time the service is terminated, the service deposit shall be refunded by the District within a reasonable time thereafter.

The governing Board shall have the authority, in addition to all other rights and remedies, to terminate this agreement and, in such event, the User shall not be entitled to receive, nor the District obligated to provide, any sanitary sewer service treatment under this agreement. If the User thereafter pays all sewer charges in arrears and all penalties charged against them as provided in the District's Rules and Regulations, he shall then be entitled to a resumption of sanitary sewer services subject to all regulations of the District.

In the event the User shall breach this contract, or refuse or fail, without just cause, to pay minimum monthly sewer rate as established by the District, the User then agrees to pay the District a lump sum of Five Hundred (\$500.00) as liquidated damages. It is expressly understood and agreed by the parties hereto that the said amount is agreed upon as liquidated damages in that a breach by the User in either of the respects set forth above would cause serious and substantial damages to the District; and it will be difficult, if not impossible, to prove the amount of such damages. The parties hereto have computed, estimated, and agreed upon said sum in an attempt to make a reasonable forecast of probable actual loss because of the difficulty of estimating with exactness the damages which will result.

The failure of a customer to pay sewer charges duly imposed shall result in the automatic imposition of the following penalties:

1. Nonpayment by the due date will result in a penalty of ten percent of the current amount.
2. Nonpayment of a delinquent account by the due date established by the District, will result in the service being terminated.
3. In the event it becomes necessary for the District to terminate the service at a customer's property for nonpayment, a service charge will be added to the account. The account must be paid in full to have the service re-established.
4. Collection fees will be added to the account balance.

**IN WITNESS WHEREOF**, we have hereunto executed this agreement this \_\_\_\_\_ day of \_\_\_\_\_.
